All horses on premises must be entered in at least one of the classes. If you are participating in one class, Buck expects you to be watching the other class as well at no extra charge as he will be teaching to both classes throughout the clinic.

**Camping *without* hookup:**

\$10 per night. This is a camp unit... A tent, a camper, a trailer, a horse trailer used for camping, car or truck camping or even a bed roll under the stars...

**REQUIRED ENTRY AND RELEASE FORMS:**

Our official Dayton release and entry forms (required) are also on our website. Grab you pencil, calculator, your notes and your copy of the forms. Figure your total number of nights planned to be here when calculating your stall and or camping fees.

If you want to stall your horse next to another, write that person's name and your request on your entry form. The barn crew is in charge of all stabling issues and requests, and will do everything they can to accommodate you. I don't think they receive nearly enough cookies for all they do for us.
